

Sponsorship Opportunities

Sponsor and support an exciting local and virtual jazz concert: Jazz on Tap, presented by Avista Technologies and KSDS Jazz 88.3FM to benefit Water For People.

This year's event is scheduled the same week as the American Water Works Association's ACE21; how fitting since Water For People was created by AWWA. Jazz On Tap will combine in-person and virtual attendance, with a global reach so sponsors will enjoy name and logo recognition during this highly attended virtual conference and event. In addition to the rewards listed below, sponsors local to San Diego will receive entries to the event and food/drink tickets, as well as social media posts and other publicity, such as links on both Water For People and AWWA websites. By sponsoring this premiere event, you support Water For People — a great cause that works to create access to safe drinking water and improved sanitation for everyone! Link your company to the global community that cares about the world water crisis.

Water For People works to overcome the world water crisis by providing sustainable, clean drinking water and sanitation systems to people in developing countries with well organized, repeatable, proven delivery systems. We have been awarded Charity Watch highest four-star rating for 17 years in a row, so you can trust that your dollars will be used by Water For People to make an impact. To learn more about Water For People, please visit waterforpeople.org.

Please contact Greg Thomas at gthomas@evmwd.net or 951-258-9104 to become a sponsor or for more information about sponsorships.
