*Professionals Dedicated To Arizona's Water*

Arizona's water community and its extended family to celebrate our love of wine in support of providing safe water and sanitation to over 4 million people in 9 developing countries across the globe. Even if you can't join us in person, please support our effort through sponsorship or donations to our silent auction.

This benefit event is organized by the AZ Water Association Water for People Committee. Water for People is a registered 501(c)(3) non-profit international organization dedicated to providing safe drinking water and adequate sanitation resources in developing countries.
