EVERYONE • FOREVER

VIRTUAL IMPACT TOUR

Uganda

DEC 8&9 9:00–10:30am MT each day

Want to meet the faces behind clean water? You can! Impact Tours demonstrate how our approach to sustainability is strengthening communities and bringing prosperity in the districts where we work. Join our Virtual Impact Tour to see how your support brings water and sanitation to every family, clinic, and school – forever.

You will get to see our work up close and virtual by interacting with and hearing from local community leaders, staff, government officials, families, and NGO partners.
