

IMPACT EXPERIENCE

Honduras

APRIL 22-28, 2023

JOIN US IN HONDURAS!

When you're not walking miles each day to secure your family's water or worrying that the water you're drinking is contaminated in a way that will make those you love sick, it can be hard to truly comprehend the impact of clean water and sanitation. The communities where Water For People partners are passionate about sharing what these sorts of changes have done for their schools, their homes, and, most importantly, their lives. Come join a group of likeminded supporters as we experience this work firsthand!

You'll come away with a deeper understanding of the work Water For People teams do on a local and national level, what sustainable infrastructure can look like, how communities build for their needs, and the importance of solving the global water crisis once and for all.

TRIP ITINERARY

Saturday, April 22 – Arrivals

All participants will fly into the Ramón Villeda Morales International Airport. Airport pickups will be arranged by arrival time groupings.

Sunday, April 23 – Tourism Day

Cancellation prior to March 1, 2023 will result in a 50% refund of costs paid to Water For People. Should a participant back out after March 1, 2023, all monies paid to Water For People will be forfeited.

COVID-19 continues to be a large consideration for international travel, both for the safety of our staff, traveling participants, and the communities where we are visiting. This Impact Experience is dependent upon the current COVID-19 infection rate in Honduras and the safety recommendations made by our Honduras team and our travel partner.
