

# IMPACT TOUR *Honduras*

APRIL 22-28, 2023

## JOIN US IN HONDURAS!

Do you want to see the life-changing impact of water and sanitation services in person?

Water For People invites you to experience a once-in-a-lifetime adventure to Honduras. Honduras is a Central American country comprised of mountains and coastal plains. In Honduras, Water For People has sparked a national Everyone Forever movement, branded locally as Para Todos Por Siempre. This movement is made up of NGOs and influential government bodies who have all agreed to work toward sustainable and universal water and sanitation coverage throughout Honduras.

Water For People began working in Honduras in 1997, and in 2007 we narrowed our focus to prioritize three districts.
