## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Water for People  
Greenwood Village, Colorado

### Opinion

We have audited the accompanying consolidated financial statements of Water for People (WFP), which comprise the consolidated statements of financial position as of September 30, 2023 and 2022, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of WFP as of September 30, 2023 and 2022, and the consolidated changes in its net assets and its consolidated cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Emphasis of Matter

As discussed in Note 14 to the consolidated financial statements, the financial statements for the year ended September 30, 2022 have been restated to properly account for the certain grant income in the correct period.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of WFP and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WFP's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WFP's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WFP's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Information Included in WFP's Annual Report**

Management is responsible for the other information included in WFP's annual report. The other information comprises a summary of financial information and metrics but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Consolidating Schedule of Financial Position on page 23 and the Consolidating Schedule of Activities on pages 24 - 27 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 15, 2024, on our consideration of WFP's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of WFP's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WFP's internal control over financial reporting and compliance.

## WATER FOR PEOPLE

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

##### Organization -

Water for People (WFP) is a non-profit organization, incorporated in the State of Colorado and headquartered in Greenwood Village, Colorado. Water for People is a global non-profit organization working across nine countries to achieve lasting quality water and sanitation services. The purpose of Water for People is to promote the development of high-quality drinking water and sanitation services, accessible to all, and sustained by strong communities, businesses and governments. Water for People does this through a model called "Everyone Forever."

Everyone Forever is defined as a reliable and lasting water and sanitation service for every family, clinic and school in the regions where Water for People works. To do this, financial, physical and operational investments are made by local and national governments, community residents, entrepreneurs and other organizations to address current and future challenges of water systems and services. Water for People monitors field results until water service is sustainable by the local service authority and the monitoring capacity and responsibility are formally embedded within communities and Government. Data and results are publicly available to everyone through Water for People's visually dynamic reporting platform, EF Tracker.

Everyone Forever programming expands from full coverage at district levels to national level and beyond, freeing countries from water and sanitation aid dependence, and providing a sustainable solution to end the global water and sanitation crisis.

##### Basis of presentation -

The accompanying consolidated financial statements are presented on the accrual basis of accounting, and in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities* and Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. In accordance with FASB ASC 958-810, *Not for Profit Entities, Consolidation*, the accompanying consolidated financial statements include the accounts of Water for People country offices in Malawi, Bolivia, Guatemala, Honduras, India, Rwanda, Peru, Uganda and Tanzania. The accounts of these country offices are consolidated due to the control the United States office has over these offices. All material intercompany activity has been eliminated.

In accordance with ASU 2016-14, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Assets restricted solely through the actions of the Board are referred to as Board Designated and are also reported as net assets without donor restrictions.
- **Net Assets With Donor Restrictions** - All donor-restricted contributions are reported as increases in "net assets with donor restrictions", depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Consolidated Statements of Activities and Changes in Net Assets as net assets released from donor restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

##### Cash and cash equivalents -

WFP considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents, excluding money market funds held by investment managers in the amount of \$14,045,196 and \$369,540 as of September 30, 2023 and 2022, respectively. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, WFP maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

WFP had approximately \$747,000 and \$461,400 of cash and cash equivalents held at financial institutions in foreign countries at September 30, 2023 and 2022, respectively. A portion of the funds deposited in foreign countries are uninsured.

##### Investments -

Investments are recorded at their readily determinable fair value. Interests, dividends, realized and unrealized gains and losses are included in investment income (loss), which is presented net of investment expenses paid to external investment advisors in the accompanying Consolidated Statements of Activities and Changes in Net Assets.

Certificates of deposit held for investment that are not debt securities are included in "Investments". Certificates of deposit with original maturities greater than three months and remaining maturities less than one year are classified as short-term investments. Certificates of deposit with remaining maturities greater than one year are classified as "long-term investments".

##### Grants and pledges receivable, net -

Grants and pledges receivable are recorded at their net realizable value, which approximates fair value. Grants and pledges receivable that are expected to be collected in future years are recorded at the present value of their future cash flows.

The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met. An allowance for doubtful accounts has been established based on historical trends of pledge fulfillment, as well as the confidence level of current outstanding pledges.

##### Accounts receivable -

Accounts receivable are recorded at their net realizable value, which approximates fair value. Management considers all amounts to be fully collectable. Accordingly, an allowance for doubtful accounts has not been established.

##### Property and equipment -

Property and equipment in excess of \$5,000 are capitalized and stated at cost. Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years (30 years for buildings or permanent structures). Leasehold improvements are amortized over the remaining life of the lease.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

##### Property and equipment (continued) -

The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation and amortization expense for the years ended September 30, 2023 and 2022 totaled \$138,538 and \$227,496, respectively.

##### Income taxes -

WFP is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying consolidated financial statements. WFP is not a private foundation. Additionally, all controlled entities have been granted tax exempt status within their respective countries.

##### Revenue -

##### Grants and contributions -

WFP receives contributions, including unconditional promises to give, from many sources as well as grants from the U.S. Government, organizations and other entities. Grants and contributions are recognized in the appropriate category of net assets in the period received. WFP performs an analysis of the individual grants and contributions to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transaction is deemed nonreciprocal or reciprocal under ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*.

For grants and contributions qualifying under the contribution rules, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Grants and contributions qualifying as contributions that are unconditional that have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions; such funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying consolidated financial statements.

Grants and contributions qualifying as conditional contributions contain a right of return and a barrier. Such awards also have donor restrictions. Most grants and awards from the United States Government and other entities are for direct and indirect program costs. These transactions are nonreciprocal and recognized as contributions "with donor restrictions" when the condition or conditions are satisfied, and simultaneously, an equivalent amount of net assets with donor restrictions are released to "without donor restrictions".

Funds received in advance of the incurrence of qualifying expenditures are recorded as a refundable advances.

For grants and contributions treated as contributions, WFP had approximately \$24,400,000 and \$30,311,000 in unrecognized conditional awards as of September 30, 2023 and 2022.

##### Gifts in-kind -

Gifts in-kind consist of donated software subscriptions, services, supplies and materials. Gifts in-kind are recorded at their fair value as of the date of the gift.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

##### Foreign currency translation -

The U.S. Dollar is the functional currency for WFP's worldwide operations. Transactions in currencies other than U.S. Dollars are translated into dollars at the rate of exchange in effect during the month of the transaction. Assets and liabilities denominated in currencies other than U.S. Dollars are translated into dollars at the exchange rate in effect at the date of the Consolidated Statements of Financial Position. Currency gains and losses from translation are included in Other revenue (loss) in the accompanying Consolidated Statements of Activities and Changes in Net Assets.

##### Use of estimates -

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

##### Provision for unanticipated losses -

WFP has established a provision for unanticipated losses. The provision is to cover expenses that result from programs which WFP may maintain for which there is no donor funding as well as potential losses as a result of pending litigation costs. Management is of the opinion that the ultimate liability, if any, from the final resolution of these matters will not have a material effect on WFP's consolidated financial statements.

##### Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area of WFP are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort or other reasonable basis.

##### Investment risks and uncertainties -

WFP invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated

##### Fair value measurement -

WFP adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements.

financial statements.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Fair value measurement (continued) -

WFP accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

Reclassification -

Certain amounts in the prior year's consolidated financial statements have been reclassified to conform to the current year's presentation.

#### 2. INVESTMENTS

Investments consisted of the following as of September 30, 2023 and 2022:

	<b>2023</b>	<b>2022</b>
	<b>Fair Value</b>	<b>Fair Value</b>
Money market funds	\$ 14,045,196	\$ 369,540
Equity mutual funds	646,342	541,041
Certificates of deposit	2,415,267	2,331,201
<b>TOTAL INVESTMENTS</b>	<b>\$ 17,106,805</b>	<b>\$ 3,241,782</b>

Included in investment income (loss) are the following:

	<b>2023</b>	<b>2022</b>
Interest and dividends	\$ 779,167	\$ 29,505
Realized and unrealized gain (loss)	68,432	(138,467)
Investment expenses	(275)	(1,170)
<b>TOTAL INVESTMENT INCOME (LOSS), NET</b>	<b>\$ 847,324</b>	<b>\$ (110,132)</b>

In accordance with FASB ASC 820, *Fair Value Measurement*, WFP has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Consolidated Statements of Financial Position are categorized based on the inputs to valuation techniques as follows:

**Level 1.** These are investments where values are based on unadjusted quoted prices for identical assets in an active market WFP has the ability to access.

**Level 2.** These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

#### 2. INVESTMENTS (Continued)

**Level 3.** These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There were no transfers between levels in the fair value hierarchy or changes in the valuation methodologies used during the years ended September 30, 2023 and 2022. Transfers between levels are recorded at the end of the reporting period, if applicable.

- *Money Market Funds* - The money market funds are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded.
- *Equity Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by WFP are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily value and to transact at that price. Mutual funds held by WFP are deemed to be actively traded.
- *Certificates of Deposit* - Generally valued at original cost plus accrued interest, which approximates fair value.

The table below summarizes, the investments measured at fair value on a recurring basis, by level within the fair value hierarchy as of September 30, 2023:

<b>Asset Class:</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>

#### 5. LINE OF CREDIT

WFP has a \$2,400,000 bank line of credit which has no maturity date. Amounts borrowed under this agreement bear interest at a variable interest rate which, as of September 30, 2023 and 2022, was 8.177% and 5.329%, respectively. There were no outstanding balances on the line of credit as of September 30, 2023 and 2022. The line of credit is collateralized by cash held with the bank.

#### 6. BOARD DESIGNATED NET ASSETS

A Strategic Investment Fund (SIF) was created via full Board approval on September 26th, 2018. The SIF was seeded with \$2,000,000 generated from previous year's financial surplus. The SIF is to be used by WFP for a range of purposes, including: acceleration of currently programmed district-level work activities (Everyone Forever), acceleration of scale activities, acceleration of global leadership activities, financial support to local partners, and research and development in water and sanitation. The use of the SIF, and the activities funded by it, require an approval by the Board of Directors. Per the Board of Director's approval, the SIF concluded on September 30, 2023 with the remaining \$103,517 balance to be incorporated back into the undesignated fund. Any activities that were funded by the SIF that will be continuing will be funded from other sources starting in fiscal year 2024.

WFP has a policy to structure its financial assets to be available and liquid as its obligations become due. In addition, WFP has a line of credit agreement (as further discussed in Note 5) which allows for additional available borrowings up to \$2,400,000.

**9. GIFTS IN-KIND**

During the years ended September 30, 2023 and 2022, WFP was the beneficiary of donated goods, services and subscriptions which allowed WFP to provide greater resources toward various programs. The donated goods, services and subscriptions are valued at fair market value, which is either provided by the donors or estimated based on the prevailing rates for comparable items within WFP's primary market. There were no donor-imposed restrictions associated with the gifts in-kind during the years ended September 30, 2023 and 2022.

#### 10. LEASE COMMITMENTS

##### Operating Leases:

In July 2021, WFP entered into a five-year lease for office space in Greenwood Village, Colorado that commenced on April 1, 2022 and expires in March 2027. Base rent is \$12,994 per month. Monthly rental expense is based on an annual rate per square foot of the leased space, which increases by 50 cents per square foot annually beginning September 1, 2023. Under the lease agreement, WFP received rent abatement for the first five months of the lease as well as an allowance for improvements to the new space. The value of these improvements totaled \$145,725.

ASU 2019-01, *Leases* (Topic 842), changes the accounting treatment for operating leases by requiring recognition of a lease asset and lease liability at the present value of the lease payments in the Consolidated Statements of Financial Position and disclosure of key information about leasing arrangements. WFP elected the practical expedient that allows lessees to choose to not separate lease and non-lease components by class of underlying asset and are applying this expedient to all relevant asset classes. WFP adopted the package of practical expedients to not perform any lease reclassification, did not reevaluate embedded leases and did not reassess initial direct costs. As a result, WFP recorded right-of-use assets in the amount of \$1,268,785. WFP recorded operating lease liabilities in the amount of \$1,268,785 by calculating the present value using a discount rate of 5.403%. As of September 30, 2023, the right-of-use assets totaled \$786,835 and the operating lease liabilities totaled \$840,683. As of September 30, 2023, the weighted-average remaining lease term and rate for the operating leases is 3 years and 5.403%, respectively.

WFP also leases office space in foreign countries under lease agreements which expire at various dates from 2023 to 2026.

##### Financing Leases

WFP has entered into two separate leases for office equipment under noncancelable financing leases. Both leases started in October 2021 and expire in September 2026. Lease one is \$91 and lease two is \$295 per a month.

#### 10. LEASE COMMITMENTS (Continued)

WFP recorded right-of-use assets in the amount of \$20,996. WFP recorded financing lease liabilities in the amount of \$20,996 by calculating the present value using a discount rate of 5.403%. As of September 30, 2023, the right-of-use assets totaled \$13,533 and the financing lease liabilities totaled \$13,533. As of September 30, 2023, the weighted-average remaining lease term and rate for the financing leases is 3 years and 5.403%, respectively. The following is a schedule of the future minimum lease payments:

<u>Year Ending September 30,</u>	<u>Operating Leases</u>	<u>Financing Leases</u>

<b>LONG-TERM PORTION</b>	<b><u>\$ 557,599</u></b>	<b><u>\$ 9,539</u></b>

Lease expense for the years ended September 30, 2023 and 2022 totaled \$430,187 and \$480,525, respectively, and is included in occupancy in the accompanying Consolidated Statements of Functional Expenses.

#### 11. RETIREMENT PLAN

WFP provides retirement benefits to its US employees through a defined contribution plan covering all full-time employees who work more than 20 hours per week. WFP's matching contributions to the Plan during the years ended September 30, 2023 and 2022 totaled \$253,513 and \$231,487, respectively. WFP also provides retirement benefits to overseas employees through various plans established under local laws. WFP's contributions to the overseas plans during the years ended September 30, 2023 and 2022 totaled \$339,770 and \$266,269, respectively.

#### 12. CONCENTRATION OF REVENUE

For the year ended September 30, 2023, two donors provided approximately 44% of WFP's total revenue.

As of September 30, 2023, approximately \$750,000 of the balance of grants and pledges receivable was attributable to one donor.

For the year ended September 30, 2022, two donors provided approximately 60% of WFP's total revenue which included a one-time gift in the amount of \$15,000,000 from one donor. Management does not expect this level of funding from the same donor in future years and has created a plan to spend portions of this gift over the course of several years. With regards to the other donor, WFP has been partnering with this organization since 2007.

As of September 30, 2022, approximately \$2,180,000 of the balance of grants and pledges receivable was attributable to two donors.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

#### 13. CONTINGENCY

WFP receives grants from various agencies of the United States Government. Such grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. The ultimate determination of amounts received under the United States Government grants is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits.

Audits in accordance with the applicable provisions have been completed for all required fiscal years through 2023. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

#### 14. PRIOR PERIOD ADJUSTMENT

During the fiscal year 2023, \$300,000 of revenue was identified as fiscal year 2022 revenue but was recorded in fiscal year 2023. An adjustment has been posted to account for this error.
