

# Join Us for the World Water Classic

**October 2 – 11, 2026**

Water rights are women's rights. And millions of women and girls, plus boys and men, spend hours walking each day to get water.

That's why Water For People created the World Water Classic 6k – to bring attention to the walks women and girls do each day to get water. And to provide solutions to end the walk for water.

**Join other supporters like you to run, walk, pedal, or get creative in support of reliable, nearby water access.** Choose your own route and join from anywhere in the world between October 2 – 11.

**REGISTER TODAY**

*\$35 for adults,  
\$20 for children 12 and under*

**Women and girls are responsible for water collection in 7 out of 10 households without water on site.**

**Collectively, women and girls spend 200 million hours each day gathering water.**

*Source: UNICEF, Collecting water is often a colossal waste of time for women and girls, 2016.*

**The 5-gallon containers of water often carried can weigh over 40lbs when filled.**

***By joining the World Water Classic, you're helping end these long walks for water. You're part of changing the futures of women and girls around the world.***
